MAKER FUN FACTORY VBS

Excitement is building: FOC is hosting "Maker Fun Factory" VBS **June 12 -16, from 9:00 am - 12:00 pm each day!** VBS is our biggest outreach to the community all year with over 200 nonmembers attending our programming! We are in need of 150 total volunteers to make this event possible, and at least half of this number needs to be adult volunteers. **Please consider giving your time, talent and energy to this fantastic event, and sign up to volunteer at www.foccs.net.** Thank you so much for helping make VBS this year a success! **Volunteer Training will be held on Sunday, June 4, from 11:30 am - 1:30 pm.** Lunch and childcare will be provided.

THANK YOU, KATHY!

Kathy Kirk has been an amazing blessing to countless children and their families throughout all the years she has been serving and working at FOC! In 2015, she joined our staff as the Director of Children's Ministries and has been a fantastic asset to our team. The time has come for Kathy to transition to working closer to home to spend more time with her family. Kathy will continue to be a member at FOC and will stay on part time for a month or two as we transition. After that, she will continue to serve in our Children's Ministry on a volunteer basis because she cares so much for our children and families! If you would like to drop off a card or a gift of appreciation for Kathy, please bring it to any of the worship services this Sunday, May 21, where we will be honoring her.

WEEKLY UPDATE FROM THE FOC CALL COMMITTEE

The Call Committee met on Wednesday, May 17, to discuss and understand the Call process and events timeline. The Committee believes God's in control of this process and timeline, and as such, we will continually seek and follow His plan for FOC as we move forward with finding our new Senior Pastor. The Chairperson has reached out to the District (Pastor Brauner and Pastor Albers) to meet and and share insight into the Committee's efforts and status.

The next Committee meeting will be held on Wednesday, May 24, to identify/discuss FOC's current strengths and weaknesses as well as future opportunities and threats (challenges) based on input from members. This data will help us identify the traits and criteria for finding our new Senior Pastor. For any questions regarding this committee, please contact Sarah Dahl at modahlerz@gmail.com.
