- **Sermon Presented at FOC: Philippians 2 – What is most important?**
Our focus is often on ourselves. What do we want, what makes us feel good, how do we benefit? Jesus sets a different example for us. For Jesus it was— what did we need, what would bring us back to Him, and how much could He love us? In today's message, we will see how much God loves us, and how that is to transform our lives, through how we love God and each other.
