Family of Christ Child Development Center does not guarantee admission to any applicant. It is the mission of Family of Christ to provide a quality Christian education to all of its students. Family of Christ recognizes that there may be applicants for admission whose background and circumstances are such that the applicants would require extraordinary attention and/or resources and that their admission would therefore disproportionately reduce the attention and resources available to other students. Family of Christ also recognizes that, from time to time, there may be an applicant whose background suggests that he/she may pose a potential risk to other students. Family of Christ must consider the best interest of its student body as a whole and for that reason it is the policy of Family of Christ not to accept such applicants. Exceptions to this policy may only be made by the Board of Education for the Child Development Center.
